- Attend meetings, training sessions, and networking events.
- Prepare reports, presentations, and documentation as needed.
- Engage in problem-solving and decision-making exercises relevant to the field.
- Adhere to company policies, ethical guidelines, and confidentiality agreements.

Qualifications

- Must be a currently enrolled student at Arizona State University.
- Pursuing a degree in a relevant field of study.
- Minimum GPA requirement (if applicable, specify GPA requirement).
- Authorization to work in the United States, if required by the employer.

Experience

- Prior internship experience is a plus but not required.
- Experience in research, teamwork, and project management is desirable.
- Familiarity with industry tools and software related to the field.

Skills

- Strong communication and interpersonal skills.
- Ability to work independently and in a team setting.
- Analytical thinking and problem-solving abilities.
- Time management and organizational skills.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint) and other relevant software.
- Adaptability and willingness to learn.

Job Benefits

- Gain practical work experience relevant to academic coursework.
- Networking opportunities with industry professionals.

- Professional development and mentorship programs.
- Flexible work hours to accommodate academic schedules.
- Potential for future employment opportunities.
- Academic credit (if applicable and approved by ASU).
