Description

The Commonwealth of Pennsylvania is offering paid internship opportunities for students and recent graduates to gain valuable work experience in various state government departments. This program provides hands-on training, skill development, and professional growth while contributing to meaningful projects that impact the community.

Responsibilities

Internship duties vary by department and may include:

- Assisting with research, data analysis, and project management
- Supporting administrative tasks and document preparation
- Engaging in fieldwork, technical assignments, or policy development
- Participating in meetings, workshops, and training sessions
- Collaborating with professionals to develop problem-solving skills
- Completing reports, presentations, and other assignments as required.

Qualifications

To be eligible, candidates must meet the following criteria:

- Currently enrolled in or recently graduated from an accredited college or university
- Pursuing a degree relevant to the internship position (e.g., Public Administration, Business, IT, Engineering, Law, Social Work, etc.)
- Strong academic standing (as required by the specific department)
- U.S. citizen or authorized to work in the United States.

Experience

- Prior internship experience is preferred but not required
- Academic or volunteer experience related to the field of interest is a plus.

Skills

Successful candidates should possess the following skills:

- Strong communication and teamwork abilities
- Analytical and problem-solving skills
- Proficiency in Microsoft Office Suite and/or relevant software
- Ability to manage time effectively and work independently
- Attention to detail and organizational skills.

Job Benefits

- Competitive hourly wage
- Hands-on experience in a professional government setting
- Networking opportunities with industry professionals
- Potential for future full-time employment

- Flexible work schedules (depending on department needs).
