FCA Summer Internship Graduate Students 2026

Description

FCA (Fiat Chrysler Automobiles) is pleased to announce the Summer Internship Program for Graduate Students in 2026. This program offers graduate students an exciting opportunity to gain hands-on experience in the automotive industry, contribute to impactful projects, and work alongside industry professionals.

Responsibilities

- Collaborate with FCA teams on various projects related to automotive design, engineering, manufacturing, marketing, or finance.
- Assist in research, data analysis, and contribute to project reports and presentations.
- Participate in team meetings, workshops, and training sessions to enhance technical knowledge and skills.
- Support day-to-day operations within assigned departments.
- Contribute to the development and implementation of innovative solutions.
- Engage in administrative tasks and project documentation as needed.

Qualifications

- Currently enrolled in a Master's or Ph.D. program in a relevant field such as Business, Engineering, Marketing, Finance, or a related discipline.
- Strong academic record.
- Excellent communication and interpersonal skills.
- Ability to work independently and collaboratively in a fast-paced automotive environment.
- Passion for the automotive industry and a commitment to innovation.

Experience

- Prior internship experience, co-op, or relevant coursework is advantageous but not required.
- Familiarity with automotive technologies and industry trends is a plus.

Skills

- Proficient in Microsoft Office suite.
- Strong analytical and problem-solving skills.
- Detail-oriented with excellent organizational abilities.
- Adaptability and a proactive approach to tasks.
- Effective communication and presentation skills.

Job Benefits

- Hands-on experience in a renowned automotive company.
- Networking opportunities with professionals and leaders in the automotive industry.
- Exposure to various aspects of automotive design, engineering, and
