Description

The Federal Protective Service (FPS) is offering exciting internship opportunities for students in 2026. Join us and gain hands-on experience in federal law enforcement, contribute to critical security initiatives, and play a vital role in protecting federal facilities across the nation.

Responsibilities

- Collaborate with FPS officers and specialists on projects related to security assessments, threat analysis, and emergency preparedness.
- Assist in monitoring and analyzing security incidents and intelligence.
- Participate in the planning and execution of security operations for federal facilities.
- Engage in day-to-day activities that support FPS's mission of safeguarding federal properties.

Qualifications

- Currently enrolled in an undergraduate or graduate program.
- Pursuing a degree in Criminal Justice, Homeland Security, or a related field.
- Strong academic record.
- U.S. citizenship is required.

Experience

While prior law enforcement or security experience is not mandatory, a genuine interest in public safety and security is highly valued.

Skills

- Strong analytical and critical-thinking skills.
- Excellent communication and interpersonal abilities.
- Ability to work independently and collaboratively in a team-oriented environment.
- Proficiency in Microsoft Office suite.

Job Benefits

- Exposure to federal law enforcement and security operations.
- Mentorship opportunities with experienced FPS professionals.
- Networking opportunities within FPS and the broader law enforcement community.
- Contribution to national security efforts and protection of federal infrastructure.
- Competitive stipend and potential for future career opportunities.

How To Apply

To apply for the Federal Protective Service Internship Students Opportunities 2026, please submit your resume, cover letter, and any relevant academic transcripts. Please use “FPS Internship Application 2026” as the subject line.

Join us in securing the nation’s federal facilities. We look forward to reviewing your application.
