FMCSA Internship Opportunities 2026 Students Graduate

Description

The Federal Motor Carrier Safety Administration (FMCSA) is pleased to announce Graduate Internship Opportunities for students in 2026. This program provides graduate students with a unique chance to contribute to the enhancement of motor carrier safety and transportation regulations.

Responsibilities

- Collaborate with FMCSA professionals on projects and initiatives related to motor carrier safety.
- Conduct research and analysis on transportation regulations and safety trends.
- Assist in the development and implementation of safety programs.
- Support regulatory compliance efforts through data analysis and reporting.
- Provide administrative support and contribute to ongoing projects.
- Attend meetings, workshops, and training sessions.

Qualifications

- Currently enrolled in a graduate program in a relevant field (Transportation Management, Public Policy, Safety Management, etc.).
- Strong academic record.
- Excellent written and verbal communication skills.
- Detail-oriented with strong organizational abilities.
- Ability to work independently and as part of a team.
- Understanding of transportation regulations and safety protocols is advantageous.

Experience

- Previous internship experience or coursework related to transportation safety is preferred but not mandatory.
- Familiarity with federal transportation regulations is a plus.

Skills

- Proficient in Microsoft Office suite (Word, Excel, PowerPoint, Outlook).
- Analytical thinking and problem-solving skills.
- Adaptability and a willingness to learn about transportation safety.
- Strong interpersonal and teamwork skills.
- Time management and ability to handle multiple tasks effectively.

Job Benefits

- Gain practical experience in the development and enforcement of transportation safety regulations.
- Networking opportunities with professionals in the transportation industry.
