Description

We are excited to announce internship opportunities at NGA (NextGen Analytics) for motivated and talented students in 2026. As an intern, you will have the chance to work on cutting-edge projects, gain hands-on experience, and contribute to innovative solutions in the field of analytics.

Responsibilities

- Collaborate with cross-functional teams to support ongoing projects.
- Conduct data analysis and provide insights to enhance decision-making processes.
- Assist in the development and implementation of analytical models.
- Contribute to the creation of reports and presentations for internal and external stakeholders.
- Stay abreast of industry trends and best practices in analytics.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong academic record in fields such as Data Science, Analytics, Computer Science, or a related discipline.
- Excellent analytical and problem-solving skills.
- Effective communication and teamwork abilities.
- Proficiency in data analysis tools and programming languages is a plus.

Experience

While prior internship or work experience is not mandatory, a strong passion for analytics and a desire to learn and grow in a dynamic environment will be highly valued.

Skills

- Proficient in data analysis tools such as Python, R, or SQL.
- Familiarity with statistical analysis and modeling techniques.
- Strong attention to detail and accuracy.
- Effective communication skills, both written and verbal.
- Ability to work collaboratively in a team-oriented environment.

Job Benefits

- Gain hands-on experience in a leading analytics organization.
- Exposure to real-world projects and challenges.
- Mentorship opportunities with industry professionals.
- Networking opportunities with fellow interns and professionals.
- Competitive stipend and potential for future career opportunities.

How To Apply

To apply for the NGA Internship Students Opportunities 2026, please submit your resume, cover letter, and any relevant academic transcripts. Be sure to include “NGA Internship Application 2026” in the subject line.

We look forward to reviewing your application and welcoming the next generation of analytics enthusiasts to our team!
