Description

PECO Energy Company is pleased to announce its Internship Program, providing an exciting opportunity for students to gain hands-on experience in the energy sector. As an intern at PECO, you will be immersed in various aspects of the company's operations, contributing to meaningful projects and learning from industry experts. This program is designed to foster professional growth and provide valuable insights into the dynamic world of energy.

Responsibilities

- Collaborate with cross-functional teams on projects related to energy distribution, renewable energy, and sustainability initiatives.
- Assist in data analysis and research to support decision-making processes.
- Participate in field visits and inspections to gain practical knowledge of energy infrastructure.
- Contribute to the development of reports, presentations, and other communication materials.
- Engage in professional development opportunities and networking events.

Qualifications

- Currently enrolled in an undergraduate or graduate program with a focus on engineering, business, environmental science, or a related field.
- Strong academic record and a passion for the energy industry.
- Excellent communication skills, both written and verbal.
- Ability to work independently and collaboratively in a team environment.
- Eagerness to learn and a proactive approach to problem-solving.

Experience

- No prior professional experience required; internship or coursework related to the energy sector is a plus.
- Familiarity with basic concepts in energy distribution, sustainability, or related fields.

Skills

- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Analytical mindset with strong problem-solving skills.
- Detail-oriented with the ability to manage multiple tasks effectively.
- Adaptability to a dynamic work environment.

Job Benefits

- Hands-on experience in the energy industry with a leading utility company.
- Networking opportunities with professionals in the energy sector.
- Exposure to cutting-edge technologies and sustainable energy initiatives.

- Professional development and mentorship.
- Competitive stipend or compensation.

How To Apply

Interested candidates should apply online through the PECO Energy Company. Please submit your resume, cover letter, and academic transcripts. Indicate “PECO Internship Program Application” in the subject line.

PECO Energy Company is an equal opportunity employer. We encourage diversity and welcome applicants from all backgrounds to apply.
