TECO Energy Internship Students Program 2026

Description

TECO Energy is thrilled to announce the launch of our Internship Students Program for the year 2026. This program offers students the opportunity to gain hands-on experience in the energy industry, work on meaningful projects, and collaborate with industry professionals. Join us for an enriching experience that will contribute to your professional development.

Responsibilities

- Collaborate with various teams within TECO Energy, including engineering, operations, finance, and sustainability.
- Assist in the planning and execution of energy-related projects and initiatives.
- Conduct research and analysis on industry trends, regulations, and emerging technologies.
- Support data collection, entry, and analysis for key performance indicators.
- Participate in meetings, workshops, and training sessions to enhance your understanding of the energy sector.
- Contribute to the development of reports, presentations, and project documentation.
- Engage in day-to-day tasks and projects as assigned.

Qualifications

- Currently enrolled in a Bachelor's or Master's program in Engineering, Business, Environmental Science, or a related field.
- Strong academic record.
- Excellent communication and interpersonal skills.
- Ability to work independently and collaboratively in a dynamic work environment.
- Passion for the energy industry and a commitment to sustainability.

Experience

- Prior internship experience, coursework, or projects related to the energy sector is advantageous but not required.
- Familiarity with energy-related technologies and concepts is a plus.

Skills

- Proficient in Microsoft Office suite.
- Strong analytical and problem-solving skills.
- Detail-oriented with excellent organizational abilities.
- Adaptability and a proactive approach to tasks.
- Basic understanding of energy industry principles.
