US Fish and Wildlife Summer Internship Program 2026

Description

Embrace your passion for wildlife and conservation with the U.S. Fish and Wildlife Service (USFWS) Summer Internship Program! Gain invaluable hands-on experience working alongside dedicated professionals across diverse locations and projects. Contribute to the agency's mission of protecting fish, wildlife, and their habitats while gaining real-world skills and knowledge in areas like biology, ecology, environmental education, and more.

Responsibilities

Embrace your passion for wildlife and conservation with the U.S. Fish and Wildlife Service (USFWS) Summer Internship Program! Gain invaluable hands-on experience working alongside dedicated professionals across diverse locations and projects. Contribute to the agency's mission of protecting fish, wildlife, and their habitats while gaining real-world skills and knowledge in areas like biology, ecology, environmental education, and more.

Qualifications

- Must be a US citizen or permanent resident.
- Currently enrolled in an undergraduate or graduate program in a relevant field like biology, ecology, environmental science, natural resources management, or a related discipline.
- Minimum GPA of 3.0 (on a 4.0 scale) required.
- Strong interest in wildlife conservation and commitment to the USFWS mission.
- Ability to work independently and as part of a team in diverse environments.
- Excellent communication, interpersonal, and problem-solving skills.
- Proficient in basic computer skills and relevant software programs (e.g., Microsoft Office Suite).

Experience

- Prior volunteer or internship experience in a natural resource setting.
- Experience with field research methods, data analysis, or environmental education.

Skills

- Strong leadership and teamwork skills.
- Bilingual skills (Spanish or another language spoken by local communities) a plus.

Job Benefits

- Competitive hourly wage or stipend (program-dependent).
