USPTO Internship For Students Program 2026

Description

Unleash your passion for innovation and join the United States Patent and Trademark Office (USPTO) Internship Program for 2026! This program offers talented students like you the chance to gain valuable hands-on experience, contribute to real-world projects, and learn from renowned experts in the field of intellectual property (IP). As an intern, you'll dive into the fascinating world of patents and trademarks, playing a vital role in protecting American invention and creativity.

Responsibilities

- Assist assigned teams with diverse projects aligned with your field of study and interests.
- Conduct research, analyze data, and prepare reports related to your assigned project.
- Participate in meetings, presentations, and brainstorming sessions, actively contributing your ideas.
- Develop crucial professional skills like communication, teamwork, and problem-solving.
- Gain exposure to cutting-edge technology and the complex legal and technical aspects of IP law.

Qualifications

- Currently enrolled in an undergraduate or graduate program in a relevant field such as engineering, science, law, business, computer science, or public policy.
- Strong academic record with a minimum GPA of 3.0.
- Excellent communication, teamwork, and interpersonal skills.
- Ability to work independently and take initiative.
- Proficient in using Microsoft Office Suite and other relevant software programs.
- Authorized to work in the United States for the duration of the internship.

Experience

- Prior internship experience preferred, but not required.
- Experience in your field of study through coursework, projects, or research activities is a plus.

Skills

- Problem-solving and analytical skills.
- Strong written and verbal communication skills.
- Ability to work independently and as part of a team.
- Time management and organizational skills.
- Adaptability and willingness to learn new things.
